
PATENT ESSENTIALS

utr@tennessee.edu

March 27, 2015

UT Business Incubator, 2450 E.J. Chapman Drive
1st session: 9:00 AM - 11:30 AM

UTK Min Kao Auditorium, 1520 Middle Drive (Rm 622)
2nd session: 1:30 PM - 3:00 PM

UTRF Tech Talks is a series designed to share information of interest with the research community of UT. Presentations range from the broadest of perspective overviews to the more technical topics, providing useful information and offering support to researchers from the UT Research staff.

Presentors:

Daniel G. Shanley, J.D.
Partner, Kenyon & Kenyon
dshanley@kenyon.com

For more information please visit:

The University of TN Research Foundation Tech Talks presents *Patent Essentials*. From the firm of Kenyon & Kenyon, presenters will provide information and answer questions regarding:

- How does the patent process work?
- What can be patented?
- Who may apply for a patent?
- What are patents?
- What constitutes public disclosure?
- How do patents differ from trademarks, servicemarks, and copyrights?
- How long does the patent process take?
- What are the different types of patents?
- What has the America Invents Act changed?
